Dear Sir:

04/08/2005 TLAURENC 00000004 502117 09830306  
 01 FC:1251 <sup>110.00 DA</sup> ~~110.00 DA~~ Responsive to an Office Action mailed April 13, 2004, with a one month period for  
 02 FC:2201 response, the applicants would request the reconsideration and reexamination of the claims, in view of the present amendments and included remarks. As presently amended, the application includes 24 claims, 6 of which are independent. The 6 independent claims exceed by three the highest number of independent claims (3), which were previously paid for, while the 24 total claims are less than the highest number of total claims (26) previously paid for.

Correspondingly, an extra claim fee in the amount of \$258 for the three extra independent claims is believed to be due.

In conjunction with the present response, a request for a one month extension is being simultaneously submitted, which would extend the response date from July 13, 2004 to August 13, 2004. In association therewith, a fee in the amount of \$110 is believed to be due. The applicant's representative authorizes the Commissioner to charge a total fee in the amount of \$368 associated with both the one month extension and the three extra independent claims, as
